

Planning and Anticipation

MSPSL

Plan early as soon as you can see a hazard! Junctions, roundabouts etc.

Stopping (parking & traffic). Meeting, look across junction, roundabout on approach DONT wait until give way / stop line

Act on Signs

Junctions, bends, road narrows, bridges, etc.

Keep vehicle moving – if safe

Smoother ride and use less petrol

Anticipation is what MIGHT happen

Observation

Read the road like a book – Look long way ahead scan from side to side & getting closer. Check ALL possibilities of ALL road users.

Moving vehicles, stopping, and turning. Parked cars, doors opening, pedestrians hidden.

Shops, pedestrians, schools and children. Houses, dogs etc.

Junctions, vehicles emerging, turning. Traffic lights changing pedestrians crossing

Pedestrian crossings, people crossing

Signs, schools.

Animals etc.
